VERSE 1
                                                             He reigns, he reigns, above all my fears
 You have spoken a better Word
                                                             He reigns, he reigns, over all my doubt
Through the precious blood of Jesus
                                                                                   6m
                                                              He reigns, he reigns, I'm laying down
You've broken the curse
                                                              All my control
Greater than the prophets or the priests
                                                              Remind my soul
Is the Lamb slain for sinners
